

**HÅRKLINIKKEN**  
*A Natural Solution for Hair Loss*

## **DO YOU MISS YOUR HAIR? GET IT BACK WITH HARKLINIKKEN PRODUCTS!!**

*Experiencing Hair Loss, Thinning Hair, Reduced Hair Quality, Dandruff or an Irritated/Dry Scalp?*

**Harklinikken History:** Harklinikken hair products are for both **men and women** and are **customized** to your individual needs. **Offered exclusively** in the U.S. through **Academic Alliance in Dermatology**, Harklinikken was established in Denmark in 1978 and since that time has successfully treated more than 40,000 clients at clinics in Denmark, Norway and Germany.

**The Treatment Process:** All Harklinikken products are based on **extensive research and development** efforts and have been thoroughly clinically tested to ensure efficiency and eliminate unwanted side-effects. After meeting with one of our highly trained Harklinikken providers, **the treatment is carried out at home**. Simply apply the customized plant based extract to your scalp at regular intervals, typically once or twice per day. **Easy and affordable.**

### **Male: Before and After**

### **Female: Before and After**

**Extract and Shampoo:** The extract is individually mixed for each client and uses more than 200 different plant components, fatty acids and other elements. Specially developed shampoos are used along with the extract as part of the treatment process.

**Harklinikken Results:** Most clients see results within 90 days of using the products. **Easy and affordable.**

#### **Essentials**
