

Paul T. Rose - Curriculum Vitae

Biographical Sketch

Name: Paul T. Rose, MD, JD

Position: Board Certified Dermatologist
Certified Wound Care Specialist
Academic Alliance in Dermatology
5210 Webb Rd. Tampa, FL 33615
Phone number: 813-882-9986
Fax number: 813-882-9849

Education: 1980-1998 (see below)

Undergrad: S.U.N.Y at Buffalo, Buffalo, NY, 1969-1974, BA Biology

Medical: S.U.N.Y at Downstate, Brooklyn, NY, 1975-1979, MD

Internship: University of Connecticut Medical Center, 1979-1980, Internal Medicine

Residency: Temple University Skin and Cancer Hospital, 1985-1988, Dermatology

Post Graduate: Southern California University for Professional Studies, 2005, JD

Academic Affiliations:

Assistant Clinical Professor University of South Florida, 1995-2002
Department of Medicine, Division of Dermatology, Tampa, FL

Board Certification:

American Board of Dermatology, 1988
Certified Wound Care Specialist

Grants:

The effects of Minoxidil on Apoptosis in Androgenetic Alopecia, funding by
Pharmacia and The International Society of Hair Restoration.

Licensure:

Florida/1980 (active)

Fellowships & Memberships:

International Society of Hair Restoration Surgery, Board of Governors, Executive Committee:

President: 2005-2006

Vice President: 2004-2005

Secretary: 2003-2004

Chairman Pro Bono Committee – Operation Restore, CME Committee

American Academy of Dermatology

International Society of Cosmetic Laser Surgery, Board of Governors

Corporate Adviseements:

Pfizer/Pharmacia – Hair Loss Drug Therapy

Intercytex Corporation – Bio Technology

Dermal Screening – Mapping of Skin Lesions

Restoration Robotics – robotic surgery

Merck Advisory Board

Research:

Alpha-1 antitrypsin Pi Types, Brooklyn Jewish Hospital, Brooklyn, NY, New York Lung Association Research Grant 1975

Mechanisms of differentiation and Heterochromatization in Mealy Bug Germinal Tissue, SUNY at Buffalo, Buffalo,, NY 1977

T Cell Migration Patterns in Lymph Node Post Capillary Venules, Downstate Medical Center, Brooklyn, NY, Student Research Grant, 1978

Histamine Influence on T cells, Johns Hopkins Medical Center-Good Samaritan Hospital, Baltimore, MD 1978
